

# GLOBAL MIGRATION DATA NETWORK (GMDN)

*Connecting people interested in migration data across the globe*

This Network is a platform to promote knowledge exchange, collaboration and learning on migration data. The GMDN is open to representatives from governments, international and regional organizations, NGOs, the private sector, researchers, individual consultants, and people interested in migration data worldwide.

## Main objectives

Connect the global community working on migration data and statistics

**CONNECT**

**CONTRIBUTE**

Contribute to more informed and evidence-based policy-making and public discourse in the field of migration

**FACILITATE**

Facilitate cooperation between expert data users and producers

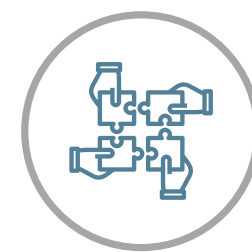

## What will the network offer to its members?

Become part of our online directory and share your projects with relevant stakeholders

Find and connect with partners working on migration data and statistics worldwide

Get the latest news on the Network's activities and other related migration data events

## How to register?

Click here for registration: [bit.ly/Register\\_GMDN](https://bit.ly/Register_GMDN)

Our registration form is available in English, French and Spanish
